

MOVE FOR AMIRAH SPONSORSHIP 2025

**MOVE FOR
AMIRAH**

WHAT IS MOVE FOR AMIRAH?

Move for Amirah is a national fundraising event in which individuals or teams "Move" on behalf of survivors of trafficking and exploitation. Recovering from trafficking and exploitation is hard, like swimming the English Channel or running a marathon. When we Move for Amirah, we move in solidarity with these women. Join this year's Move for Amirah to call attention to their courage and raise funds for their recovery journey!

If you are moved by the suffering of women and the injustice of trafficking, please know that you can play a role in helping us provide services for women! We cordially invite you to support this year's Move for Amirah. Read below to see how your organization can help today!
